

Indoor Multi Sort

Double

shown as a quad

The Multi-Sort Indoor Unit is made from 20 gauge galvaneel steel, making this a strong, solid indoor container. Collect a variety of materials with top lid access from its multiple collection openings. Round openings can come with rubber baffles for safety in collecting glass. Add on locks for security and casters for easy transportation. Metal inserts are also optional. Units are fire resistant.

Features:

- Powder paint finish
- 20 gauge heavy duty galvaneel steel
- Steel retainer rings to hold plastic bags
