

Aristata[™]
Series

VERSION 2.4

RECYCLING HAS NEVER LOOKED *so beautiful*

For over five years the Aristata Series has brought style and sophistication to recycling & waste programs across a multitude of industries. Each container is meticulously crafted to be on-trend with today's modern interiors with five stunning finishes that blend seamlessly into any space. With a variety of customization options and multiple streams in one single container, achieve outstanding diversion rates while maintaining an upscale aesthetic.

// We are still getting comments on how sleek and nice the Aristata looks in our building. Who knew a trash can could be a conversation piece! //

– Ashley, Mechanical Engineer Corporate Office in California

Liners are made from 100% post-consumer recycled content
