STATIONS & DISPENSERS

The Prevent Collection is the most complete and versatile line of stations and dispensers in the market, enabling you to design a custom system of sanitization in your spaces to prevent the spread of germs and viruses and maintain a healthy workplace.

For maximum safety, sanitizing options should be placed throughout all your spaces, so people can easily and regularly sanitize their hands and work surfaces.

The Prevent line of products offers unlimited combination options to select from, mixing and matching to create a sanitizing infrastructure design optimized for all your spaces. From common areas, to back-of-house, hallways, reception desks and corridors, match the right product for each space.

Unsure of which products are right for your space? Contact Busch to walk through all the options.

ANYWHERE BRACKET SERIES

No matter what kind of sanitizing solutions you are using or where you are dispensing them, this bracket gives you the ultimate versatility and will help you ensure that sanitizing options are ubiquitous and accessible throughout your space. The unique design incorporates an adjustable bungee cord, allowing it to support many sizes of canister wipes and gel bottles up to 1 L or 1 Quart in size. It can easily be mounted on any surface with a variety of ways to attach it, including an optional magnet kit for mounting on metal surfaces.

Put an Anywhere Bracket on a filing cabinet in an office, on a refrigerator in common areas, on a forklift or pallet rack, on the side of an existing dispenser, or mount one on a wall. This bracket literally goes Anywhere.

**Sanitizer and Wipes Not Included.*

ADD THE
MAGNET KIT!

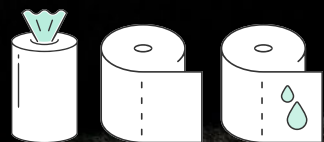

FEATURES

- **ULTIMATE VERSATILITY**
A unique, adjustable solution to support dispensing of various gels and wipes in your facilities
- **DISPENSE WIPES & GELS ANYWHERE**
With multiple mounting options (magnetic & wall-mounted), the Anywhere bracket can be placed Anywhere!
- **COST-EFFECTIVE**
This high-quality compact solution is the perfect alternative to expensive dispensing stations
- **MODERN DESIGN**
The Anywhere Bracket design fits with any contemporary space in white, gray or teal options.
- **SUSTAINBLY MANUFACTURED**
Made in North America

GO SERIES

The most versatile wipes dispenser on the market. Made from durable, recycled plastic, the GO can function as a desktop dispenser, a wall-mounted unit, or as a wipes and waste station when inserted in the body of the Cleanli™ unit. This instantly-classic container is the ultimate lightweight, durable, and easily adaptable option for flexible dispensing solutions. **Wipes Not Included.*

FEATURES

- ULTIMATE CUSTOMIZATION**
 A smooth surface allows for customized labeling or branding. Choose from a variety of stocked colors to fit the needs of your program, or place a special order for custom color options.
- QUALITY MATERIALS**
 Made from injection-molded plastic, this unit is durable, scratch-resistant and so easy to clean.
- QUICK AND EASY SHIPPING**
 Available in singles with next day shipping.
- SECURE AND SEAMLESS WIPES DISPENSING**
 The wipes dispenser prevents airflow to keep wipes from drying out and features plastic teeth that meet the perforated edges of the wipes to help ensure only one wipe is dispensed per pull. This will eliminate contamination for unwanted wipes and encourages less waste.
- ALL SIZES AND TYPES OF WIPES**
 The GO accommodates any size (up to 10 inches in diameter) of bagged, wet, dry, or hardshell wipes allowing you to dispense a variety of products based on your need.
- CONTEMPORARY DESIGN TO COMPLEMENT YOUR SPACE**
 The white finish appears bright and clean while the grey blends nicely with a stainless-steel look.

-
- 111292 - SINGLE / GREY BODY & TEAL LID**
 11.125"W x 11.125"D x 11.5"H
 - 111946 - SINGLE / WHITE BODY & GREY LID**
 11.125"W x 11.125"D x 11.5"H
 - 111994 - SINGLE / GREY BODY & WHITE LID**
 11.125"W x 11.125"D x 11.5"H
 - 111620 / WALL BRACKET, SILVER SPARKLE**

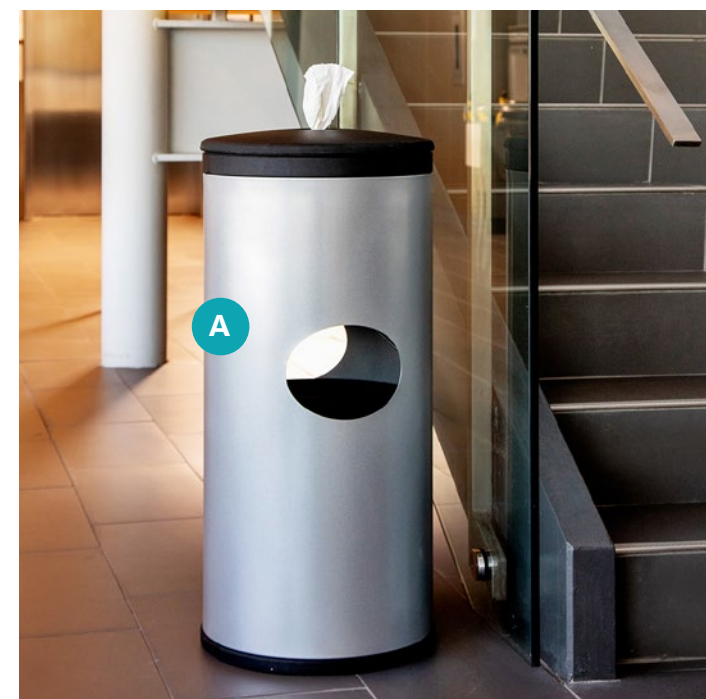

CLEANLI™ EXTREME SERIES

Maintain a clean and sleek appearance while offering hygiene solutions and safe waste collection in your facility. The white finish appears bright and clean while the silver sparkle finish conveys a stainless-steel look that is scratch resistant and much easier to clean. With smooth surfaces, this container can also be customized with labels that help communicate your program. Choose your preferred lid color, available in black for a classic look or teal to indicate a special purpose for COVID-19 safety. **Wipes Not Included.*

FEATURES

- **WET OR DRY WIPES**
Offers ultimate flexibility by supporting any size (up to 10 inches in diameter) of hardshell wipes, bagged wipes, or any roll of dry wipes combined with your preferred sanitizing solution.
- **ERGONOMIC HANDLE**
A handle on the waste bin liner stays clean and above it all. Employees don't have to dive into the bin looking for the handle that has been exposed to everything that has gone into the waste bin.
- **SECURE & SEAMLESS WIPES DISPENSING**
The wipes dispenser prevents airflow to keep wipes from drying out and features plastic teeth that meet the perforated edges of the wipes to help ensure only one wipe is dispensed per pull. This eliminates contamination for unwanted wipes and encourages less waste.
- **LARGEST CAPACITY IN A ROUND CONTAINER**
The Cleanli™ Extreme has an 8 gallon waste collection capacity, while dispensing large format wipes, meaning less frequent servicing. Double sided opening is ideal for high traffic areas.
- **CONTEMPORARY DESIGN TO COMPLEMENT YOUR SPACE**
Maintain a clean and sleek appearance while offering hygiene solutions and waste collection in your facility. The white finish appears bright and clean while the silver finish conveys a stainless-steel look that is scratch resistant and easy to clean.

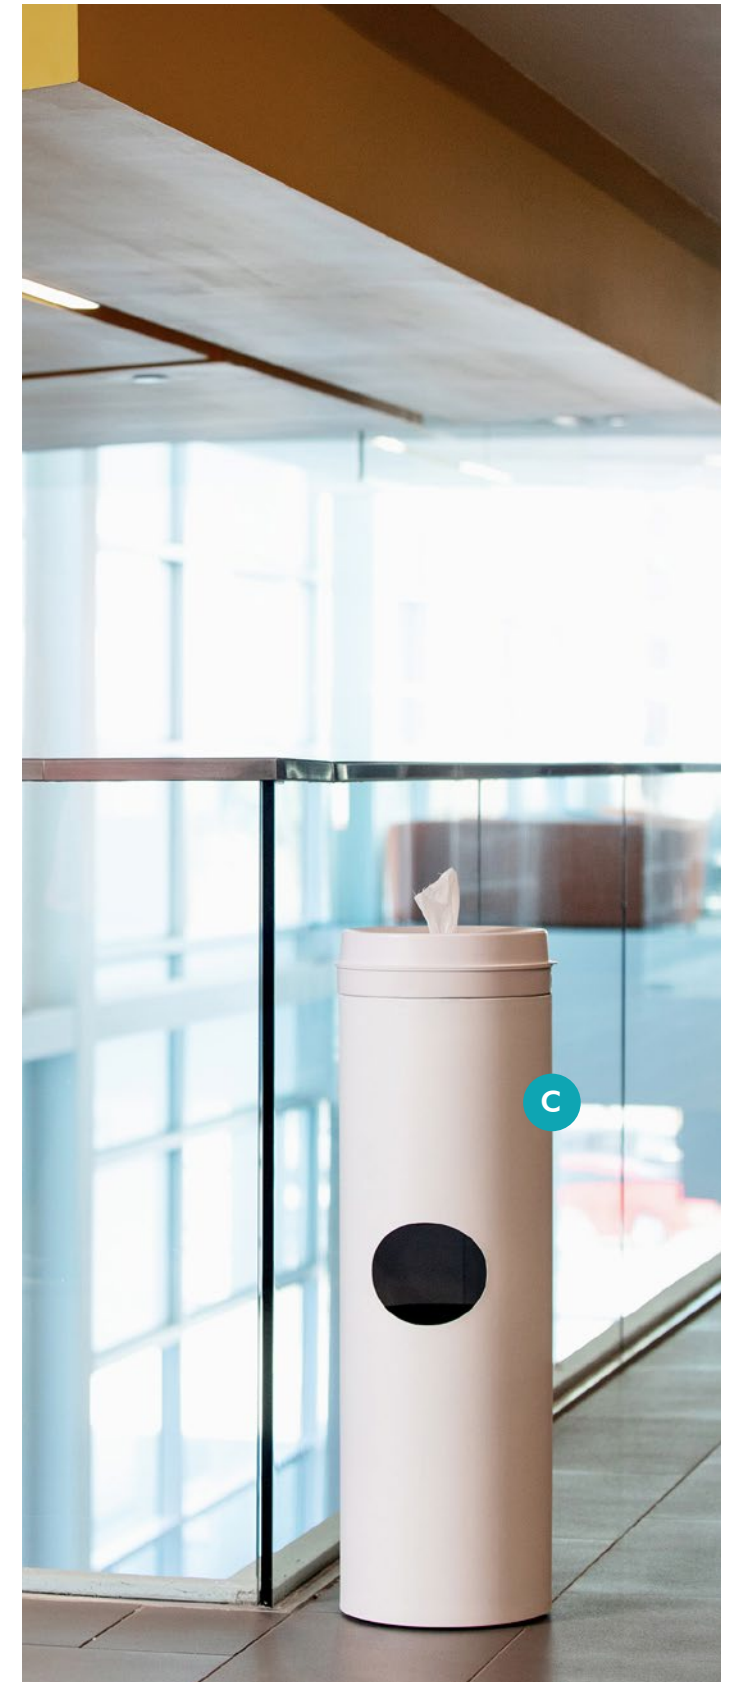

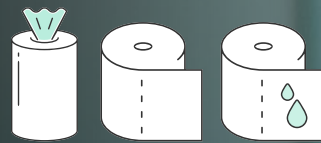

111300 - SINGLE / WHITE & TEAL
15.5"W x 15.5"D x 34"H

111301 - SINGLE / WHITE & BLACK
15.5"W x 15.5"D x 34"H

CLEANLI™ GO SERIES

Convenience, cleanliness, and efficiency in one sleek container. The Cleanli™ GO is the perfect solution for wipes dispensing and waste collection in any space. This space-saving container supports the dispensing of any hardshell or large roll wipes (up to 10" in diameter), with a finish that resists corrosion due to the sanitizing fluid. It's smart, ergonomic design means that the unit is easy to service, with the handle on the waste container always standing up, keeping employees away from contaminated waste. Easily remove the GO from the body for a portable wipes dispensing option.

**Wipes Not Included.*

FEATURES

- **MAINTAINS A PROFESSIONAL LOOK**

Powder-coated steel exterior is scratch-resistant, easy to clean, and avoids fingerprints.

- **ERGONOMIC HANDLE**

A handle on the waste bin liner stays clean and above it all. Employees don't have to dive into the bin looking for the handle that has been exposed to everything that has gone into the waste bin.

- **CUSTOMIZE TO COMPLEMENT YOUR PROGRAM**

With smooth surfaces, this container can also be customized with labels that help communicate your program.

- **PORTABLE AND FLEXIBLE**

The contained top of the unit can easily be removed from the body and used as a portable, lightweight wipes dispenser for tabletop or non-permanent placement in areas with high-touch surfaces.

- **SAVE YOUR SPACE**

This compact container is the perfect size for any public space. The 4-gallon liner allows for convenient collection, easy servicing, and more room for décor and furniture.

- **ALL SIZES AND TYPES OF WIPES**

The Cleanli™ GO accommodates any size (up to 10 inches in diameter) of bagged, wet, dry, or hardshell wipes allowing you to dispense a variety of products based on your need.

- **SEAMLESS DISPENSING**

The wipes dispenser prevents airflow to keep wipes from drying out and features plastic teeth that meet the perforated edges of the wipes to help ensure only one wipe is dispensed per pull. This will eliminate contamination for unwanted wipes and encourages less waste.

HYBRID SERIES

DOES IT ALL! The Hybrid is a sturdy and durable dispensing and collection unit designed for high usage in industrial/warehouse settings. Accommodates up to 4L gel dispensers, the unit also provides collection of PPE and other waste. With a small footprint that eliminates tripping hazards, this product is ideal for factory or back-of-house deployments. Additional dispensers easily bolted on support smaller sizes of wipes and sanitizer.

**Sanitizer Bottle Not Included.*

FEATURES

- **ADAPTABLE - IT DOES IT ALL!**
Able to dispense any size of gel dispensers.
- **MAINTAIN A CLEAN APPEARANCE**
A clean utilitarian design maintains a professional, organized, and tidy atmosphere within your facility.
- **DURABLE AND LONG-LASTING**
Sturdy structure and pump cover are designed for high volume usage.
- **ERGONOMIC FOR SERVICING**
Easy pull out waste liner to facilitate servicing.
Lightweight design is easy to place and to move.
- **PROMOTE A CIRCULAR ECONOMY**
Made from 100% post-consumer recycled content that is extremely durable and masks wear & tear.

SPECTRUM WASTE & WIPE SERIES

This slim all metal body unit is ergonomically designed to provide top sanitizing wipes dispensing and safe collection. It takes all sizes of hardshell wipes providing the adaptability you need. The modular design makes it easy to incorporate into any existing waste management system, or as a space-saving stand-alone unit. The metal body easily accommodates additional gel or wipes dispensing accessories on the side with a magnet kit. If you already have a Spectrum Series unit in your facility, you can elect to purchase only the dispensing and collection lid, and simply swap the lids out. **Wipes Not Included.*

FEATURES

- EASY TO USE**
 Top dispensing and collection make it easy to use, and baffle ensures only one wipe is dispensed at a time. Slim footprint makes it easy to place and move as required.
- ADAPTABLE**
 Unique built in hardshell wipes holder is integrated with the lid, and uses a bungee cord to secure any size of hardshell sanitizing wipes dispensers. Metal body can take signage as well as additional dispensing accessories using a magnet mount kit.
- MAINTAIN A CLEAN APPEARANCE**
 Slim, sleek rectangular design fits easily into any professional environment and can easily be added on to an existing waste management system.
- WIDE ARRAY OF COLOUR CHOICES**
 Using the existing Spectrum Cube Slim body, a wide array of colour choices are available. The waste and wipes lid is standard sandtex finish.

110064 / WHITE, SILVER SPARKLE
 8"W x 15.75"D x 30.275"H

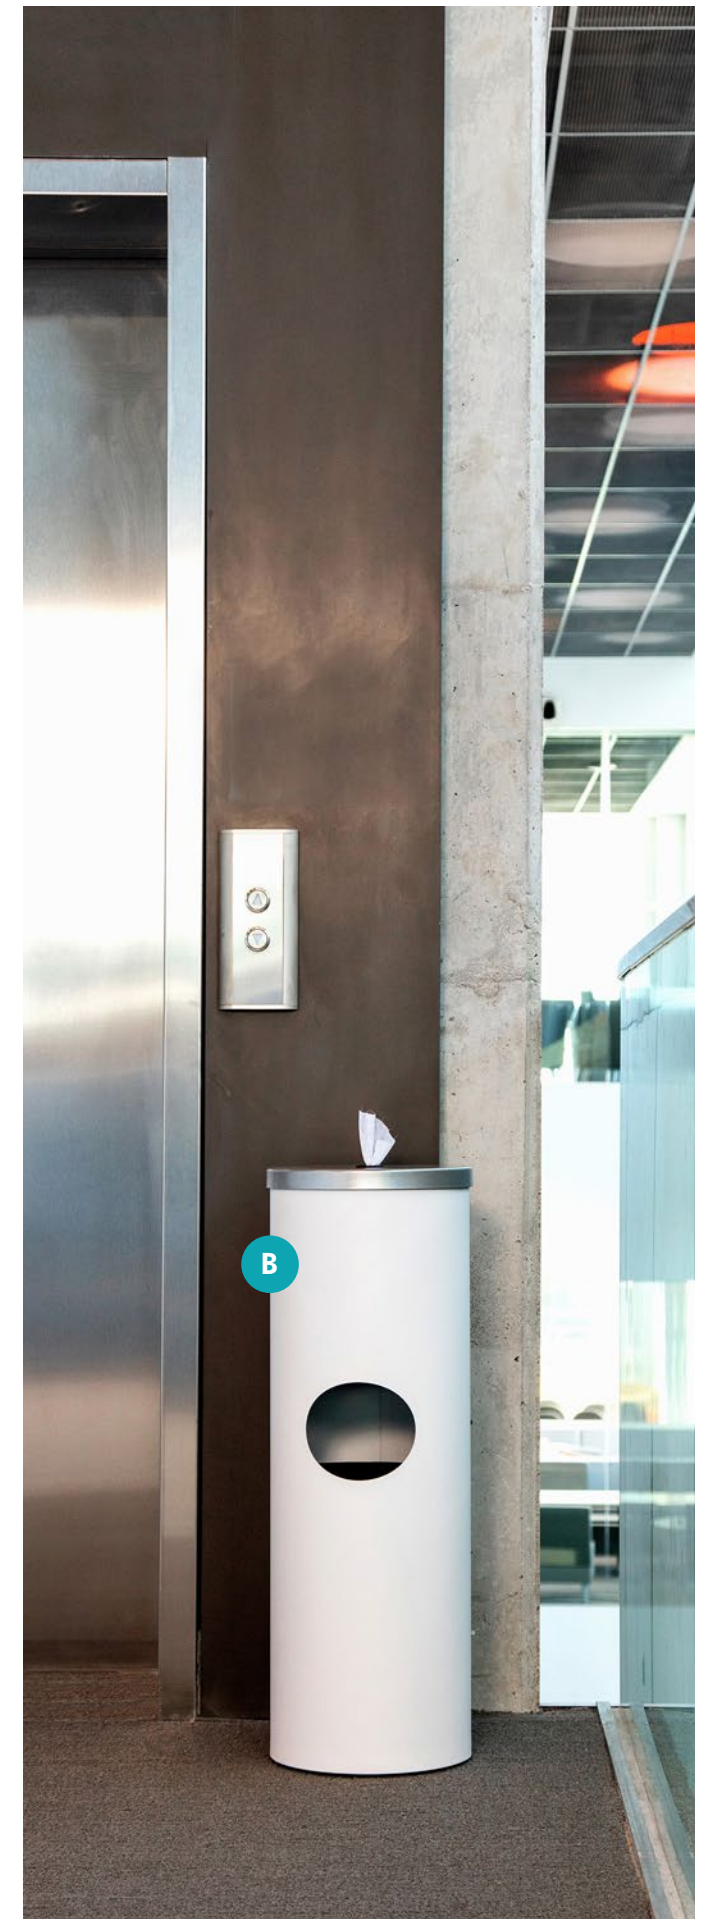

CLEANLI™ SERIES

Wipes and Waste in one sleek, convenient container. The Cleanli™ is offered in two different styles to complement any space while providing the perfect solution to dispense sanitizing wipes and collect waste. The unit will support the dispensing of hardshell or large roll wipes, with a finish that resists corrosion due to the sanitizing fluid. It's smart, ergonomic design means that the unit is easy to service, with the handle on the waste container always standing up, keeping employees away from contaminated waste. **Wipes Not Included.*

FEATURES

- **ERGONOMIC HANDLE**
A handle on the waste bin liner stays clean and above it all. Employees don't have to dive into the bin looking for the handle that has been exposed to everything that has gone into the waste bin.
- **EFFICIENT SERVICING**
Separate liners for wipes dispensing and waste collection contain spills and allow for easy servicing
- **FUNCTIONAL DISPOSAL**
Large opening makes discarding wipes easier for the user
- **NO FINGERPRINTS**
Sandtex finish in Silver Sparkle or White conveys the quality of stainless without the cleaning demands of stainless

HIGH 4 SERIES

The High Four is a sturdy gel dispensing unit that holds up to 4L gel bottles for high use areas. Made from recycled plastic lumber, the High Four is extremely durable, stable and resists scratches, dents or scuffs. The plastic lumber allows for small footprint and the weight of the material ensures stability. **Sanitizer Bottle not included.*

FEATURES

- **MAINTAIN A CLEAN APPEARANCE**
A clean utilitarian design maintains a professional, organized, and tidy atmosphere within your facility.
- **DURABLE AND LONG-LASTING**
Sturdy structure and pump cover are designed for high volume usage.
- **PROMOTE A CIRCULAR ECONOMY**
Made from 100% post-consumer recycled content that is extremely durable and masks wear & tear.
- **SET IT & FORGET IT**
Reduce servicing time with this high volume adjustable stand that holds up to 4L bottles!

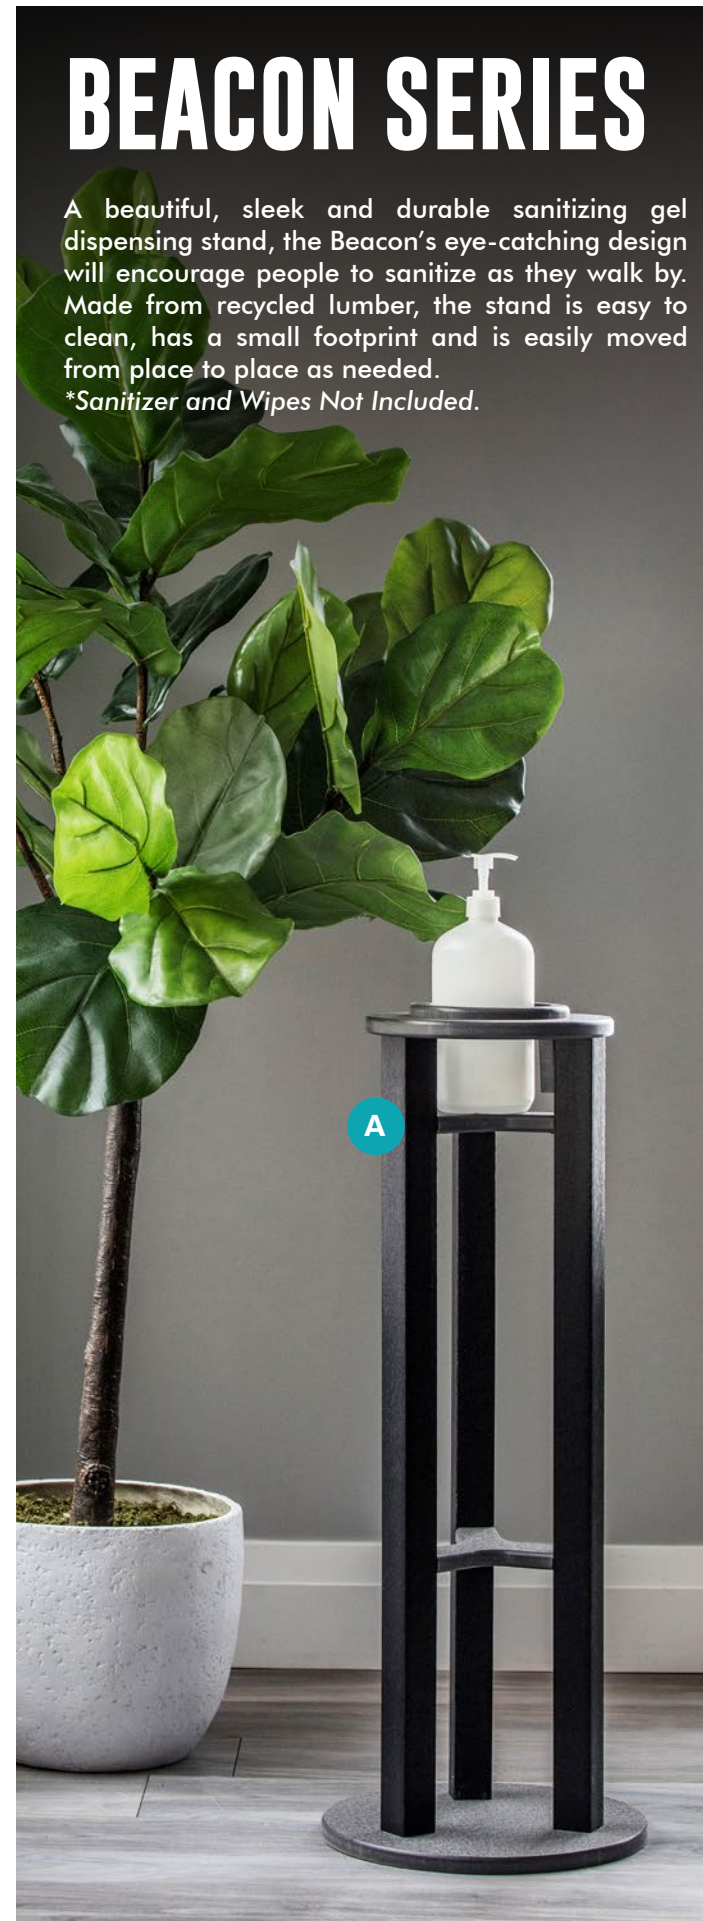

BEACON SERIES

A beautiful, sleek and durable sanitizing gel dispensing stand, the Beacon's eye-catching design will encourage people to sanitize as they walk by. Made from recycled lumber, the stand is easy to clean, has a small footprint and is easily moved from place to place as needed. **Sanitizer and Wipes Not Included.*

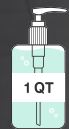

FEATURES

- **DISPENSES WIPES OR GELS**
Holds canisters of wipes or bottles of sanitizing solution
- **SAVE VALUABLE SPACE**
The Beacon intuitively covers a small footprint, while maintaining durability and mobility
- **MODERN DESIGN**
The Beacon's sleek, eye-catching design fits within any contemporary space.

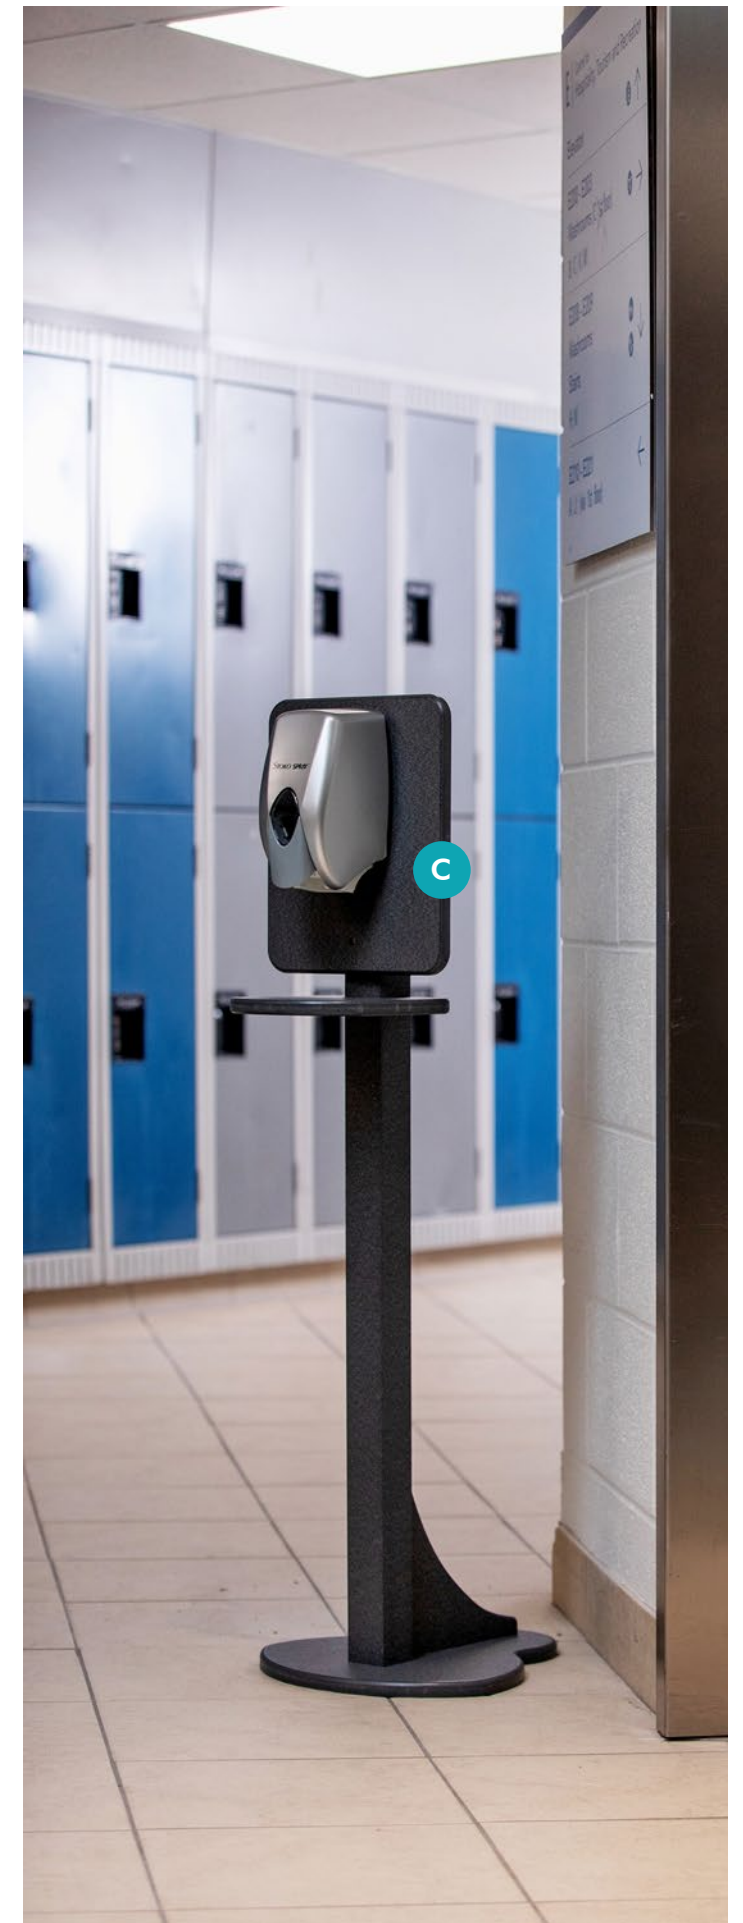

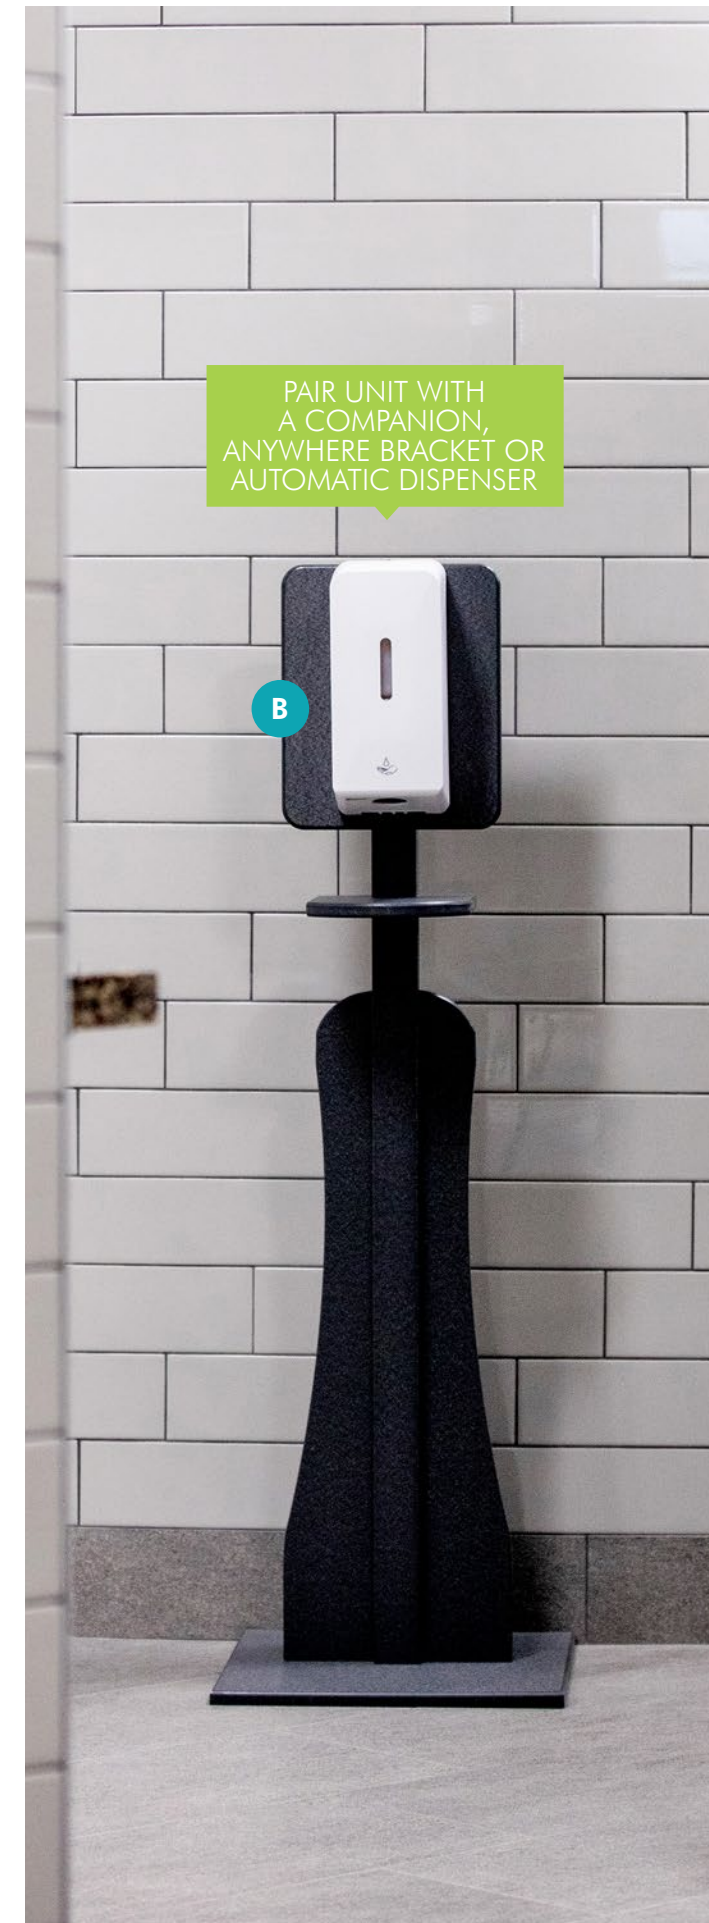

PURIFY SERIES

With its clean and eye-catching design, the Purify is a high-end solution to maintain the professional atmosphere within your space while providing a hand-hygiene station for guests and employees. The entire unit is exceptionally durable and constructed with 100% post-consumer recycled content that promotes your commitment to a circular economy. The Purify is compatible with most soap or sanitizer dispensers allowing you to add the product that best fits your needs (dispenser is not included in the unit). It is also available in a shorter version called the Purify Junior, which caters perfectly to elementary schools, community centers, and daycare facilities. **Sanitizer Dispenser Sold Separately.*

FEATURES

- **SAFETY FIRST**
The design of the Purify base eliminates tripping hazards. The entire unit is stable and won't tip in any direction.
- **MAINTAIN A CLEAN APPEARANCE**
The Purify's modern, clean design maintains a professional, organized, and tidy atmosphere in any commercial space
- **DURABLE AND LONG-LASTING**
Stabilizing wings on the base create a sturdier structure than other dispensers on the market and reinforce the post to prevent warping over time
- **AVOID MESS AND OVERFLOW**
The receptacle's convenient drip tray is strategically placed to avoid excess liquid from falling to the floor and creating a slip hazard
- **MANY DISPENSER OPTIONS AVAILABLE**
Easily customize the unit to host a dispenser of your choice - whether an automatic dispenser, Anywhere Bracket or Companion Bracket.
- **COMMUNICATE YOUR MESSAGE EFFECTIVELY**
Flat surfaces allow customizable labeling options to encourage proper use and promote your message

HAPPY HANDS SANISTAND

The Happy Hands Sanistand is a durable, and conveniently portable option for holding sanitizer bottles or cannister wipes in any location at the perfect height for easy access. This convenient stand features an 8.5x11" sign frame that allows you to add your own messaging and branding to help you communicate hand-hygiene protocols and maintain a clean and safe environment.

**Sanitizer and Wipes Not Included.*

FEATURES

- **DURABLE AND RELIABLE**
This versatile metal stand is superior in durability and chemical resilience while still maintaining a clean appearance.
- **COMPATIBLE SIZING**
This simply effective stand is measured to and easy-access height and has been perfectly sized for various hand hygiene products.
- **CUSTOMIZABLE**
The Happy Hands Sanistand features a sign frame to hold your customized signage that matches the needs of your PPE and cleaning program to help communicate a safe environment.
- **SAVE VALUABLE SPACE**
Its lightweight space saving design features a flat weighted base that will keep the apparatus steady while still allowing you to move it to any desired location.
- **PLACE IT EVERYWHERE**
Perfect for high traffic areas such as lobbies, entrances, cafeterias, office buildings, reception areas, hotels, airports, universities/schools, health care facilities, retail, and other public areas.

PALADIN SERIES

The Paladin series provides the safest and most convenient option for collecting used personal protective equipment in high-traffic areas. This multi-functional receptacle not only collects used PPE such as masks and gloves, but it also features placement for an optional sanitization dispenser to promote hand hygiene. The entire unit is carefully constructed with 100% post-consumer recycled plastic lumber that presents a high-end appearance and promotes environmental consciousness while providing a functional hygiene solution for your commercial space.

**Sanitizer Dispenser Not Included.*

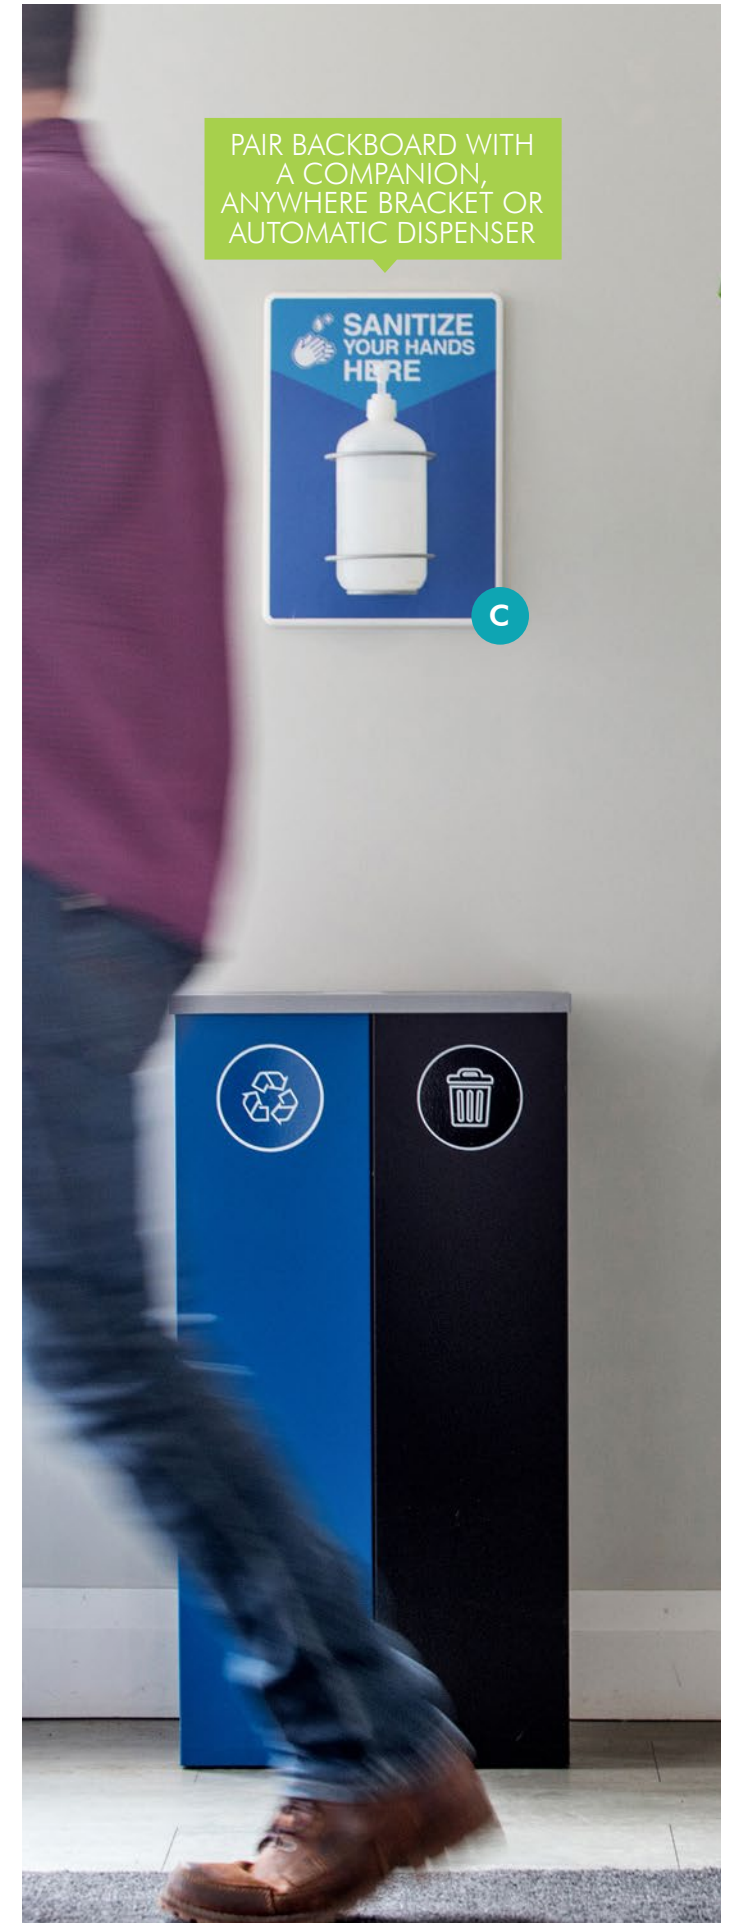

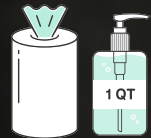

FEATURES

- **MANY DISPENSER OPTIONS AVAILABLE**
Easily customize the unit to host a dispenser of your choice - whether an automatic dispenser, Anywhere Bracket or Companion Bracket.
- **KEEP SERVICING SIMPLE**
Front door access and a rigid liner allows for easy servicing to safely clean and empty the container
- **PROMOTE YOUR MESSAGE LOUD & CLEAR**
Customizable label options encourage proper disposal of popular PPE items specific to your needs to reduce contamination

COMPANION SERIES

The Companion can be conveniently mounted to any surface allowing you to place your cleaning products in your desired location. With multiple mounting options and two different styles available, this bracket will secure your products in a steady position making them easier and more convenient to use. Designed to fit most wipe and sanitizer dispensers, the Companion is the perfect addition to your cleaning program that will outlast any other option. **Sanitizer and Wipes Not Included.*

FEATURES

- **COMPATIBLE SIZING**
Designed to securely fit any wipes or sanitizing dispenser up to a 4" diameter width, making your favorite sanitizing products easily available.
- **VERSATILE ATTACHMENT**
Easily mounted to a variety of surfaces via screws or magnets, holding your wipes and sanitizer steady in a convenient location.
- **CUSTOMIZED COMMUNICATION**
Optional backboard signage allows you to promote COVID-19 safety or even your brand.
- **CUSTOM WALL MOUNTS**
Pair a customized backboard with custom signage and a Companion Bracket or Anywhere Bracket to communicate your messages and branding. Option to have an automatic dispensing unit.

CLEANLI™ COMPACT SERIES

The Cleanli™ Compact is a large capacity desktop wipes dispensing solution that expertly complements any professional decor. This lightweight, yet highly-durable wipes container is significantly easier to clean and maintain in comparison to stainless steel wipes dispensing alternatives. A non-marking base preserves your furniture while still ensuring sanitizing wipes are readily available in any location. Less expensive than similar stainless steel wipes dispensers on the market, this unit will meet all your needs while providing a long-lasting, upscale wipes dispenser. **Wipes Not Included.*

FEATURES

- **CUSTOMIZABLE TO FIT WITHIN YOUR PROGRAM**

With smooth stain-resistant surfaces, this container can be customized with labels that help communicate your program.

- **PORTABLE AND FLEXIBLE**

This tabletop unit is a non-permanent solution for areas with high-touch surfaces and can be moved for cleaning purposes or relocated to other areas when needed.

- **ALL SIZES OF WIPES**

The Cleanli™ Compact accommodates any size of bagged or hard-shell wipes up to 10 inches in diameter, allowing you to dispense a variety of products based on your need.

- **SECURE AND SEAMLESS WIPES DISPENSING**

The wipes dispenser prevents airflow to keep wipes from drying out and features plastic teeth that meet the perforated edges of the wipes to help ensure only one wipe is dispensed per pull.

- **CONTEMPORARY DESIGN TO COMPLEMENT YOUR SPACE**

Maintain a clean and sleek, stainless-steel look without the cost. Its powder-coated steel exterior is scratch-resistant, easy to clean, and avoids fingerprints.

VANISH SERIES

The Vanish is the perfect wipes and waste combo, with a dispenser for sanitizing wipes on top and a waste collection stream below, making used wipes or PPE disappear. Its smooth and classic design complements any space while also allowing the perfect surface for customized labeling. The wipes dispenser accommodates any size of wipe container, either hardshell or large volume rolls. With front door servicing, an optional lock on the cabinet and a compact space-saving design, the Vanish is an easy choice for any public facility. **Wipes not included.*

FEATURES

- **CONTACTLESS DISPENSING**

The Vanish allows you to store wipes in an aesthetically pleasing container with a built-in collection method to dispose of the used wipes. Unlike typical wipes containers, the Vanish holds the wipes steady to allow easy retrieval and eliminate contact with the bin.

- **SAVE SPACE**

This compact container is the perfect size for any public space. The Vanish is large enough to collect waste and hold wipes, but small enough to save space in any setting.

- **SIMPLIFIED SERVICING**

Front door servicing makes it easy to replace bags and wipes as often as you need to, and its smooth melamine surface can be easily wiped clean with a damp cloth.

- **CAREFULLY CONSIDERED DESIGN**

The hinges of the Vanish door are piano hinges, removing any possibility of bags or other items snagging. The door is flush to the base, eliminating the need for feet on the unit. The weight of the unit makes it easy to place and move as required.

SAFE DISPOSAL & PPE COLLECTION

As the fight against COVID-19 continues, people are more educated on the importance of face masks to prevent the spread of disease. Disposable masks and other personal protective equipment (PPE) can carry germs on their surfaces, and ensuring safe disposal of masks is critical to limit inadvertent transmission. Disposal and PPE collection bins in the Protect collection are designed to eliminate cross-contamination and enable the safe disposal of masks and other PPE, protecting your users and the staff doing maintenance on the bins.

PREVAIL SERIES

When it comes to collecting PPE in the workplace, this simple solution is completely versatile and low maintenance! The Prevail features commercial-grade casters that allow you to easily transport the container and its contents for easy servicing and portable collecting. Custom messaging can be applied to its ergonomic handle, and the bag retention rings keep the bag secure during use. This durable cart is compact and neutral, allowing it to fit into any workplace environment while standing out as the perfect addition to your PPE collection program.

FEATURES

- **CONVENIENTLY PORTABLE**
Built-in commercial-grade casters allow you to easily transport this lightweight collector from one place to the next.
- **KEEP BAGS IN PLACE**
The bag retention function allows you to easily replace bags and keep them completely secure when in use.
- **SIMPLIFIED SERVICING**
Exposed bags make it easy for you to remove and change them out at any time while the portability function allows you to transport the entire container for servicing and cleaning.

PPE DISPOSAL CART

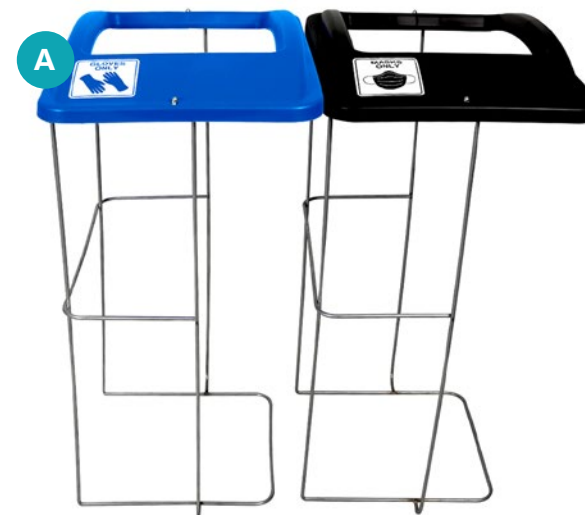

FEATURES

- **KEEP STAFF SAFE**
Large opening comes with anti-phishing deflector and reinforced lid for added security. JCAHO (Joint Commission) Compliant.
- **EASY AND CONVENIENT TRANSPORT WITHOUT THE NOISE**
Strong rubberized wheels keep the container quiet during movement.
- **LONG LASTING COLLECTION SOLUTION**
Made in North America with injection molded HDPE and holds up to 125 lbs of waste to minimize the need for servicing.

105365 - SINGLE / GREY / NO LABELS

SANITIZING GELS & WIPES

At Busch Systems, we know that climate change doesn't take a break for pandemics. We've tested and selected products that provide the maximum safety for preventing the spread of germs and viruses, while still prioritizing sustainability and being safe for the environment. These products are also compatible with the line of Safe Spaces dispensing and collection units designed by Busch.

So stay true to your values, and order your sanitizing wipes and gels knowing that we care as much as you do.

TOUCH POINT™ WIPES

Kills 99.9% of bacteria in just 15 seconds! Kills the SARS-CoV-2 virus, the cause of COVID-19. The large count Disinfectant Wipes fit perfectly with the Thrive product line. Order your container and wipes supply at the same time. TouchPoint™ Plus Disinfectant Wipes are EPA registered and proven to kill bacteria and viruses, including the virus that causes COVID-19, when used according to the label directions. Clean, disinfect and deodorize hard, non-porous surfaces in one easy step. These wipes power through tough messes without leaving residue for a streak free shine. Single use to prevent the risk of cross contamination. Available in 2-packs, each roll with 900 count of disinfectant wipes.
