ēvolve™ CUBE

50 GALLON

BEGIN TO EVOLVE WITH THE ESSENTIAL CUBE CONTAINER

The starting point for the evolve series, the Cube is the essential container to launch endless combinations of collection possibilities. Although equally as strong on its own as an individual bin, it's high-capacity makes it a formidable partner for multi-stream recycling and showcases the style and functionality of the entire Evolve line.

FEATURES:

- Ultra modern cube design
- Large volume is perfect for high traffic areas
- Easy-to-manage pivoted bag retention system
- Optional Magnetic Connection Kit allows for unlimited variations
- Optional Sign Frame Kit available for clear messaging
