

MOSAIC™

S E R I E S

CREATE AND COMMUNICATE YOUR PERFECT PROGRAM

The Mosaic is a versatile, modular recycling and waste container system designed for durability and flexibility. It features customizable signage, secure bag retention clips, and an optional lockable caster kit for easy, safe relocation. Expand your capacity by adding more units with the interlocking connector system, and choose from a variety of lid openings and colors to support effective waste diversion. Perfect for public spaces and workplaces, the Mosaic makes collection effortless, efficient, and stylish.

NOW AVAILABLE!

Mosaic Junior – a shortened version of the Mosaic designed for kid-friendly spaces. With the same smart features as the original, the Mosaic Junior includes accessible access and engaging, kid-focused signage to support early waste diversion habits.

Liners are made from
100% post-consumer recycled content

Patent: US D1,052,840 S

EFFORTLESSLY

Versatile

Consider adding our easy glide lockable caster kit to your Mosaic, making relocating easy, saving time and promoting safety in the workplace. Expand your collection capacity seamlessly by incorporating additional containers and utilizing the innovative connector system for secure interlocking.

STANDARD (DELTA)

JUNIOR

Available sign panel options

**Available in Waste, Mixed Recyclables, Organics and Paper streams.*

CUSTOMIZABLE Signs & Labels

Our Mosaic body panel signs and labels are fully customizable to match your branding and styling needs. Choose from our stock and available designs or send us your own custom artwork! These signs and labels are highly visible and our clear intuitive graphics help boost diversion and participation in your program.

NOTE: All signs are available in wide and narrow configurations. All designs are available with accompanying lid labels. Ask your Sales Rep for further details. Because different computers, monitors, and printers render colors and textures differently, actual finishes may vary from those shown here.
