

SUMMITTM
— SERIES —

CONQUERING DIVERSION *at* **NEW HEIGHTS**

Take your diversion rates to new heights with the Summit™ Series.

This sharp, modern container features front door access and a sloped lid, designed to maximize program success. Double and triple stream configurations are available within a single unit, with generous space for labeling. For higher-volume applications, XL sizes provide expanded capacity.

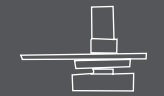

Liners are made from 100% post-consumer recycled content

U.S. Patents: US 10829299
